#### Warranty

Every EPTA comes with a five-year warranty. Our customer service team located in Worcester, MA, is always here to help address any after-sale questions or concerns that come up. However, if your product is found to have a manufacturing defect, we will either replace components, the entire product, or issue a refund. We stand behind the quality of our products and pride ourselves in both customer service and open communication. If you have any questions, feel free to give us a call at 800-468-9925.

#### Need a Photometric Analysis for Your Project?

A photometric analysis is a computer simulation of a particular project. Whether using these fixtures to illuminate a parking lot, athletic field, rail yard, dock, or something else entirely, a photometric analysis is an easy way to quantify your light levels before making a big purchase. This service will provide average footcandles, max/min (uniformity) ratios, minimum footcandles, light trespass levels, and more. When the report(s) are generated, a lighting specialist will walk you through them, page by page, so you know exactly what you will be receiving. Call us at 800-468-9925 or email [customerservice@accessfixtures.com](mailto:customerservice@accessfixtures.com) for more information about ordering a photometric analysis for your project.

#### Ready to Order an EPTA 150 Linear LED Fixture 120-277v or Speak to a Lighting Specialist?

If you need some additional information about this fixture, give us a call at 800-468-9925. Of course, you can place your order online, right here, but our team

is available to answer any questions that may come up. Does your project require multiple fixtures? Ask us about quantity discounts. We are here to provide anything you need to purchase fixtures and illuminate your project with confidence.
