Product Description

The PERI 14w Turtle & Wildlife Friendly LED Jelly Jar light is a cost-efficient LED wall pack that offers the power and longevity of LED at a great price. Solid-state LED lighting is more efficient and longer-lasting without any mercury or lead. The versatility of this product, combined with the long-lasting output of its LEDs, make this fixture a tremendous value. Variety of applications, including horse arenas, livestock stalls, and other indoor or outdoor spaces that require vapor-tight fixtures.

Turtle and Wildlife Friendly: The energy efficient monochromatic amber LEDs are turtle and wildlife friendly. Using 590nm follows most coastal light regulations. Learn more about [turtle friendly lighting](#). **Extreme Life:** PERI 14w boasts a tremendous L70 rated life of 135,000+ hours.

Lens: The borosilicate glass in the PERI 14w fixture is extremely resistant to thermal damage and is protected by an aluminum cage that protects it from flying objects, vandalism, and debris.
