### Product Description

The DOHA 20w LED Bullet Flood Light with 100-Degree Optics 120v-277v features a range of optics for tremendous versatility. They have up to 50,000 hours of life and an IP67 rating which is great for retail centers, industrial parks, schools and universities, public transit and airports, office buildings and medical facilities. Mounting can be done by using ground attachment accessories with heights up to 3.7 meters. This is solely based on light level and uniformity requirements. For decreased lumens, see this fixture's sister product:

## Effective and Versatile DOHA 20w LED Bullet Flood Light with 100-Degree Optics 120v-277v

DOHA 20w LED Bullet Flood Light with 100-Degree Optics 120v-277v delivers a 70-degree beam. Or choose optics for 70-degrees and 30-degrees beam spread to optimize varying spaces and installation heights.

The mounting options come with adjustable Knuckle with 13mm NPS Threads. Electronic Driver, 120-277V, 50/60Hz; Less Than 20% THD and The 120v-277v boosts less than 20% THD. THD impacts the relationship between line power and load current draw. Lower THD means reduction in peak currents and heating, resulting in better efficiency and longer fixture life

The fixture comes with a 5-Year Warranty for -40°C to +50°C Environments.

## Safe, Weatherproof DOHA 20w LED Bullet Flood Light with 100-Degree Optics 120v-277v

These fixtures are listed for Wet Locations. They include Die-Cast Gasketed Aluminum Housing and Front Frame with Integral Heat-Dissipating Fins for Thermal Management. The fixture includes Nickel-Plated Stainless Steel Hardware. Mounting Choices for Your DOHA 20w LED Bullet Flood Light with 100-Degree Optics 120v-277v

Hang it from flat or angled ceilings as a pendant light, or knuckle-mount in the ground for landscape lighting
