The DOHA 20w LED Bullet Flood Light with 70-Degree Optics 120v-277v features a range of optics for tremendous versatility. They have up 50,000 hours of life and an IP66 rating which is great for retail centers, industrial parks, schools and universities, public transit and airports, office buildings, and medical facilities. Keep reading for more information, or call us at 800-468-9925 to get in touch with a member of the Access Fixtures team.

Effective and Versatile: DOHA 20w LED Bullet Flood Light with 70-Degree

Optics 120v-277v

DOHA 20w LED Bullet Flood Light with 70-Degree Optics 120v-277v delivers a 70-degree beam. Or choose optics for 100-degrees and 30-degrees beam spread to optimize varying spaces and installation heights.

DOHA 20w LED Bullet Flood Light with 70-Degree Optics: Safe and Weatherproof

Listed for wet locations, these fixtures work for many different types of environments. They include die-cast gasketed aluminum housing and front frame with integral heat-dissipating fins for thermal management.

DOHA 20w LED Bullet Flood Light with 70-Degree Optics: Mounting Choices

Select either the knuckle mount for landscape lighting or hang it from flat/angled ceilings as a pendant light. Both mounts allow you to tilt the fixture to properly aim the light.
