Product Description

APTO 80 LED Turtle Friendly Modular Full Cutoff Wall Pack, Long Life, 120-277v represents the latest in LED wall pack technology and commercial lighting design. The APTO is a standout in durability and versatility. This turtle friendly 590nm wall pack is an ideal choice for wildlife applications including recreational facilities, waterfront pathways and walkways in wet coastal environments.

Turtle and Wildlife Friendly: The energy efficient monochromatic amber LEDs

are turtle and wildlife friendly. Using 590nm follows most coastal light regulations.

Full Cutoff: The full cutoff design of this wall pack helps customers meet local lighting ordinances by minimizing light trespass.

IP67 Rated: The APTO is IP67 rated protected from total dust ingress and water immersion between 15cm & 1m in depth.

Features:

- 78w integrated modular LED Array - Amber LED color temperature - Turtle & wildlife friendly - Dimmable 0-10v - 5070 lumens - 120-277v - IP67 rated and salt-spray certification - Die-cast aluminum housing - L70 life of 50,000+ hours
 - 7.48 x 12.80 x 6.30 - 5 year warranty
- Options:**
- Choice of black, bronze, gray, or white - Choice of 15 optics & distribution variations - Motion sensor - Vandal resistant screws

Warranty

All Access Fixtures products come with a 5-year warranty. If your product is found to have a manufacturing defect, we will replace components, the entire product, or issue a refund. We stand behind the quality of our products. Our customer service team, located in Worcester, MA, is happy to address any questions, comments, or concerns you may have. Please give us a call at 800-468-9925. Please view Access Fixtures [return policy](#). Need a Photometric Analysis for Your APTO 80 LED Turtle Friendly Modular Full Cutoff Wall Pack, 120-277v Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.
