Warranty

Access Fixtures is proud to assemble high quality, long lasting lighting products which are covered by a 5-year warranty. In accordance with our warranty policy, we will offer repair, replacement, or refund for qualifying claims. Please contact our friendly customer service team, located in Worcester, MA, to address any questions or concerns you may have. We can be reached at 800-468-9925 Monday-Friday 9-5 EST or via email at sales@accessfixtures.com. Click here to view Access Fixtures' [complete warranty policy](#). Need a Photometric Analysis for Your Project?

A photometric analysis is a computer simulation of a particular project. Whether using these fixtures to illuminate a parking lot, athletic field, rail yard, dock, or something else entirely, a photometric analysis is an easy way to quantify your light levels before making a big purchase. This service will provide average footcandles, max/min (uniformity) ratios, minimum footcandles, light trespass levels, and more. When the report(s) are generated, a lighting specialist will walk you through them, page by page, so you know exactly what you will be receiving. Call us at 800-468-9925 or email customerservice@accessfixtures.com for more information about ordering a photometric analysis for your project.

Ready to Order APTO-590nm-Amber-Wall-Packs or Speak to a Lighting Specialist?

If you need some additional information about this fixture, give us a call at 800-468-9925. Of course, you can place your order online, right here, but our team

is available to answer any questions that may come up. Does your project require multiple fixtures? Ask us about quantity discounts. We are here to provide anything you need to purchase fixtures and illuminate your project with confidence.
