Product Description

CONA 17w LED Turtle Friendly Cone Reflector Round Dome Top Bollard Light, 120-277v is a popular bollard light fixture with a wide range of features and options.

Turtle Friendly Amber: This bollard light emits light at 590 nanometers, which cannot be seen by turtles and wildlife but appears amber to humans.

Cone Reflector: This bollard light reflects light down and around the unit in a 360 degree pattern, maximizing efficiency.

Durable Construction: This bollard light features a durable extruded aluminum housing, polycarbonate lens, and IP65 rating.

Reflector Round Dome Top Bollard Light, 120-277v Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics

include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at **800-468-9925** for more information about ordering a photometric analysis for your project.

Ready to Order CONA 17w LED Turtle Friendly Cone Reflector Round Dome Top Bollard Light, 120-277v or Speak to a Lighting Specialist?

You can place your order online or if you want additional information, give us a call at **800-468-9925**. Our team of friendly, expert high performance lighting specialists are available to provide what you need to purchase fixtures and illuminate your project with confidence.
