Product Description

The DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount features an efficient design, sturdy body, weather resistance, limited break-ability, mount options, and three Kelvin choices to make it easy to achieve the perfect lighting for your project. These units are designed as landscape flood lights, area lights, and property accent lights. Keep reading for more information and always feel free to fill out an Access Fixtures RFQ form or call us at 800-468-9925 to get in touch with a member of the Access Fixtures team.

High Efficiency: DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount

These DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount emit a total of 5,457 lumens and use just 50 watts. They utilize directional LEDs that send their light forward, where you need it, without wasting anything inside the fixture housing. What does this mean for you? Less electricity required to achieve more light.

Access Fixtures can run a photometric analysis for your specific project, too. This is a great way to quantify and predict the amount of light you will achieve with any particular layout. For more information on this service (the cost of which will be refunded right back to you upon purchase of the fixtures), contact Access Fixtures at 800-468-9925 today.

DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount: Mounting Choices

Select either the knuckle mount or yoke mount option for your fixture. Knuckle mounts are most often used with ground stakes; yoke mounts make it easy to affix these fixtures to any surface you'd like. Both mounts allow you to tilt the fixture to properly aim the light.

Weatherproof IP66 Housing: DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount

The DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount are UL and cUL listed for wet locations and are protected by powder-coated, die-cast aluminum housings. These housings come standard in powdercoat bronze, but may be painted to order. Contact us if you need special colors.

5-Year Access Fixtures Warranty

This fixture comes with a five-year warranty. Our customer service team, located in Worcester, MA, is always here to help with any after-sale questions or concerns you may have. We stand behind the quality of our products and pride ourselves in both customer service and open communication. If you have any questions, feel free to give us a call at 800-468-9925.

Ready to Order a DOHU 50w LED Flood Light IP66, U-Bracket or Knuckle Mount or Speak to a Lighting Specialist?

If you need some additional information about this fixture, give us a call at 800-468-9925. Of course, you can place your order online, right here, but our team is available to answer any questions, too. Does your project require multiple fixtures? Ask us about quantity discounts. We are here to provide anything you need to purchase fixtures and illuminate your project with confidence.
