Product Description

The HEZE 40 LED PC Amber Medium Full Cutoff Wall Pack is 120-277v compatible and a perfect commercial lighting solution for those who need a durable wall pack with PC amber LEDs.

Full Cutoff: The full cutoff design of this wall pack helps to meet local lighting ordinances by minimizing light trespass - also making it dark sky friendly.

PC Amber: The energy efficient monochromatic PC amber LEDs are perfectly suited to military, astronomy, and dark-sky applications.

Durable Housing: Die cast hinged and gasketed aluminum front frame and housing with ½" coin plugs. Nickel-plated stainless steel hardware. Photocell adaptable.

Features:

- 40w integrated LEDs - Tempered clear glass lens - 4,400 lumens - Die cast aluminum housing - 120-277v - Type 5 optics distribution - IP65 rated - CSA listed for wet locations, ANSI/UL 1598, 8750 - Dimmable driver - 14.25 × 11.38 × 9.18 in - 18 lbs. - Mounts over a 4" recessed outlet box - Mountable at multiple heights
- Options:**
 - Available in bronze, or custom RAL - Photocell - Clear or prismatic lens - Optional surge protection - Optional battery backup

Warranty

These fixtures come with limited five-year warranties. Plus, our customer service team located in Worcester, MA, is always here to help address after-sale questions or concerns. If your product is found to have a manufacturing defect, we will either replace components, the entire product, or issue a refund. We stand behind the quality of our products and pride ourselves in both customer service and open communication. If you have any questions, feel free to give us a call at 800-468-9925.

Need a Photometric Analysis for Your Lighting project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.

Ready to Order the HEZE 40 LED PC Amber Medium Full Cutoff Wall Pack 120-277v or Speak to a Lighting Specialist?

If you need some additional information about this fixture, give us a call at 800-468-9925. Of course, you can place your order online, right here, but our team is available to answer any questions that may come up. If your project requires multiple fixtures, ask us about quantity discounts. We are here to provide anything you need to purchase fixtures and illuminate your project with confidence.
