All Access Fixtures packages come with a 5-year warranty. If your product is found to have a manufacturing defect - we will replace components, the entire product, or issue a refund. We stand behind the quality of our products. Our customer service team is happy to help with all your questions or address any concerns. If you have any questions, please give us a call at 800-468-9925. Please view Access Fixtures' [return policy](#). Need a Photometric Analysis for Your ONTE 35w LED Outdoor Post Light, 120-277v Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.

Ready to Order ONTE 35w LED Outdoor Post Light, 120-277v or Speak to a Lighting Specialist? You can place your order online or if you want additional information, give us a call at 800-468-9925. Our team of friendly, expert high performance lighting specialists are available to provide what you need to purchase fixtures and illuminate your project with confidence.
