Product Description

The SARC 13w Square Wall Light 120-277v features a durable precision die-cast aluminum housing construction with a frosted shatter resistant polycarbonate lens for durability, resistance, and to eliminate hot spots.

Forward Throw: This wall pack throws light in a wide forward arc, making it perfect for lighting large areas outside of buildings.

Extreme Life: SARC 13w Square wall light runs at only 13 watts and features an impressive L70 rated life of 187,000 hours. This means that after 187,000 hours, this fixture will still emit 70% or greater of its original lumens. That's almost 22 years of sustained light.

Value: This LED wall pack offers the same lumen output of a 50w metal halide fixture, at a fraction of wattage and more than seven times the lifetime. This fixture will quickly pay for itself!

[complete warranty policy](#). Need a Photometric Analysis for Your SARC 13w LED 12" Square Bulkhead Wall Pack, Extreme Life, 120-277v Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.

Ready to Order SARC 13w LED 12" Square Bulkhead Wall Pack, Extreme Life, 120-277v or Speak to a Lighting Specialist?
