Product Description

The STAJ from Access Fixtures is a bracket mount fixture that works perfectly for large sports stadiums or smaller projects alike.

Lightweight and Durable: This fixture boasts a small overall size, light weight and open architecture for low EPA that facilitates replacement of HID using most existing poles.

Maximum Light Output: High lumens per watt and premium optics design provide maximum light output with minimal glare and overall superior performance.

Precision Optics: This fixture is available with a choice of 18° or 30° precision optics and an [optional laser](#) to help you position the light exactly where it's needed.

Features:

- Black die cast aluminum powdercoat finish - Up to 96,000 lumens - 800 system watts - Small glare reducing visor - Operates from -104° F to 122° F - 70+ CRI/80Ra - IP65 rated, ETL/CETL, DLC listed - Bracket mount - 120-277v - 5000K - 120 lumens per watt - L70 @ 50,000 hours - 72 lbs - 5-year warranty

[Laser pointer for precision angling](#)] - 18° or 30° beam Access Fixtures 5-Year Warranty

All Access Fixtures products come with a 5-year warranty. If your product is found to have a manufacturing defect, we will replace components, the entire product, or issue a refund. We stand behind the quality of our products. Our customer service team, located in Worcester, MA, is happy to address any questions, comments, or concerns you may have. Please give us a call at 800-468-9925. Please view Access Fixtures' [return policy](#). Need a Photometric Analysis for Your STAJ 800 LED Sports Light, 120-277v Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before purchasing. When a report is generated, a lighting specialist will walk you through it so you know exactly what you will be receiving. Photometrics include average and minimum footcandles, uniformity ratios, spacing, light trespass info, and more. Plus, the cost of the study is refunded back to you when you purchase the fixtures. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.
