Warranty Information

SYMO fixtures come with limited 5-year warranties. If your product is found to have a manufacturing defect, we will replace components, the entire product, or issue a refund. We stand behind the quality of our products. Our customer service team, located in Worcester, MA, is happy to help with before- or after-sale questions and address your concerns. If you have any questions, give us a call at 800-468-9925.

Need a Photometric Analysis for Your Project?

A photometric analysis creates a computer simulation of a particular project. No matter what you are lighting, a photometric analysis is an easy way to quantify light levels before making a purchase. When a report is generated, a lighting specialist will walk you through it, page by page, so you know exactly what you will be receiving. Photometrics include average footcandles, minimum foot candles, uniformity ratios, fixture spacing, light trespass info, and more, plus, the cost of the study is refunded back to you when you purchase the fixture. Call us at 800-468-9925 for more information about ordering a photometric analysis for your project.

Ready to Order SYMO 212w UFO LED High Bay Light, 120-277v or Speak to a Lighting Specialist?

You can place your order online, here. Or, if you want additional information, give us a call at 800-468-9925. Does your project require multiple fixtures? Ask us about quantity discounts. Our team of friendly expert lighting specialists is available to provide what you need to purchase fixtures and illuminate your project with confidence.
