### Product Description

ZIBO 32w LED wall light, 120-277v is a great choice for commercial, industrial, or hospitality areas requiring durable design and multiple options. The integrated LEDs mean you never have to change a bulb. The die-cast aluminum housing alongside the super durable powder coat finish provide an impact, corrosion, and weather resistant fixture.

**Extreme Life:** This 120-277v LED wall light is L70 rated at 138,000 hours, ensuring years of maintenance-free usage!

**Multiple Options:** Choice of color, Kelvin, and other options allows for freedom and flexibility of design.

**Prismatic Glass Lens:** A prismatic borosilicate glass lens softly diffuses light and prevents glare.

Access Fixtures is proud to assemble high quality, long lasting lighting products which are covered by a 5-year warranty. In accordance with our warranty policy, we will offer repair, replacement, or refund for qualifying claims. Please contact our friendly customer service team, located in Worcester, MA, to address any questions or concerns you may have. We can be reached at 800-468-9925 Monday-Friday 9-5 EST or via email at [sales@accessfixtures.com](mailto:sales@accessfixtures.com). Click here to view Access Fixtures' [complete warranty policy](#). Get a Custom Photometric Analysis for Your ZIBO 32w LED Wall Light Project?

A photometric analysis is a custom computer simulation of your particular project. This service provides average footcandles at various heights, max/min (uniformity) ratios, minimum footcandles, light trespass levels, and more. For exacting lighting specifications, a photometric analysis helps you ensure light levels before making a big purchase. One of our lighting specialist will walk you through the process so you know exactly what you will be receiving. Call us at 800-468-9925 or [customerservice@accessfixtures.com](mailto:customerservice@accessfixtures.com) for more information about ordering a photometric analysis for your project.
