ACCO

LED Wall Packs

SEMI-CUTOFF

AccessFixtures.com

1 EXTREME-LIFE:

ACCO features an impressive L70 rated life of 187,000 hours. This means that after 129,000 hours, this fixture will still emit 70% or greater of its original lumens. That's almost 15 years of sustained light!

2 Durable & Waterproof:

Featuring a die-cast aluminum housing, ACCO is CSA-listed and IP65 rated for wet locations. It is fully protected against water jets, making this wall pack an ideal solution for any application where dust or water may be a concern.

3 Prismatic Glass Lens:

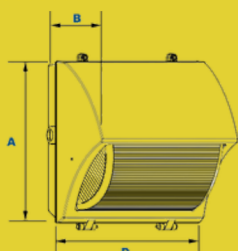

A prismatic borosilicate glass lens softly diffuses light and prevents glare.
