35w LED Louvered Round Dome Top Bollard Light

1

Vandal Resistant:

This bollard light is designed with a durable die-cast aluminum housing that's hard to break or tamper with.

2

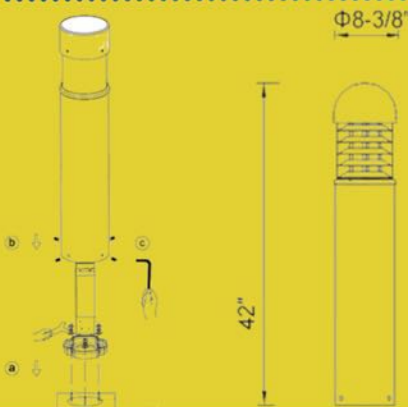

Lens Free Design:

Lens free design is concealed and hard to break. LED array is encased in a sealed IP65 rated compartment that prevents condensation.

3

360 Degree Louvered Optics:

Louvers direct light downward in a 360 degree pattern and prevent visual glare in high-traffic areas.
