

SPEC SHEET

590nm Amber

VAND

35w LED Louvered Round Dome Top Bollard Light

1

Turtle and Wildlife Friendly:

The energy efficient monochromatic amber LEDs are turtle and wildlife friendly. Using 590nm follows most coastal light regulations.

2

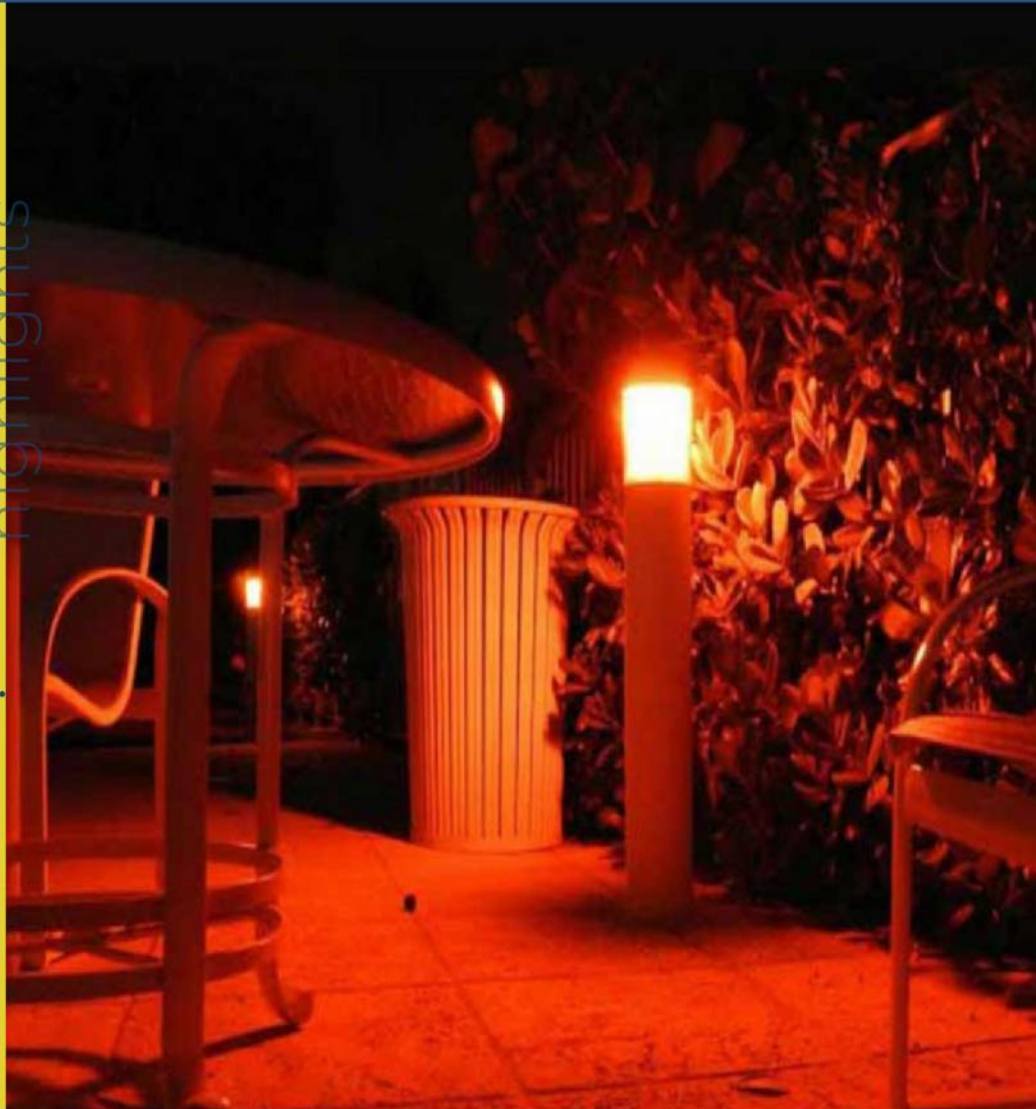

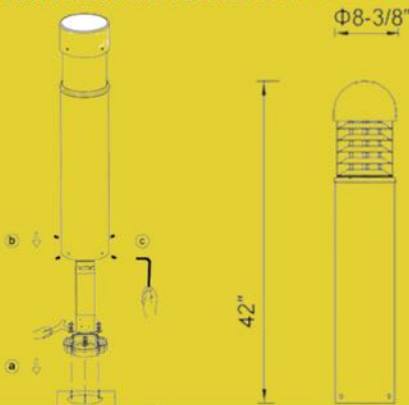

Lens Free Design:

Lens free design is concealed and hard to break. LED array is encased in a sealed IP65 rated compartment that prevents condensation.

3

360 Degree Louvered Optics:

Louvers direct light downward in a 360 degree pattern and prevent visual glare in high-traffic areas.
